### Mayor-elect Carter Service Project

Mayor-elect Carter is doing a service project in the North End during his inaugural week (January 2-5) and Rice Recreation Center was the site he chose. A bright, colorful mural will be painted on the hallway wall to brighten up Rice Recreation Center

The service project will happen on Thursday Jan 4, 2018 from 2:30-6:30pm. The new Mayor will be present at 3:30pm.

Everyone is welcome to come help at any time between the hours of 2:30-6:30pm.

Here is more [information](#)

### Banners

The new banners have been installed on Rice Street, Maryland Avenue and part of Como Avenue. People have contacted us regarding getting an old banner-they are in the office. We will start distributing them after January 1, 2018 so please call or email the office to reserve a banner. If you have already requested one-you are on the list. A \$10-\$15 donation would be greatly appreciated.

We thank Ward 5 and Ward 1 for their joint support of a STAR application.

# Saint Paul's North End

North End Neighborhood Organization

January 2018

**2017 neighborhood Honorees**-each year the district councils nominate up to three individuals, groups, organizations that volunteer, have a great business, worked for and advocated for the neighborhood.

**Here are the North End Neighborhood Organization 2017 Honorees:**

**Shawn Sheppard-Flawless Presentation:**

Flawless Presentations, owned by Shawn Sheppard, is a business owner we are proud to have located in the North End. Shawn has owned the shop for about two years and since that time has done some major remodel work-bringing in the brick to make the building more historic. Along with the history and charm, Shawn has made this a gathering spot for customers and neighbors. In the words of their customers "I love this spot!", "Good customer service!" "They fed me there, gave me Nike shoes, great place!"

**Zach Pierson**

Since his arrival at the Rice Street Library, Zach Pierson, has proven himself to be a true advocate for the North End. He started the monthly North End Community Conversations where community members gather and talk about their plans, hopes and concerns for the neighborhood. These conversations brought people together for other community events like the summer lunches for kids, youth feedback of the Rice Street parade and was instrumental in Zach helping to organize the mayoral candidate forum in the North End.

**Dr. Mike McCollor, Michelle Leba, Benita Basnet, Dhiraj Basnet, Srijana Kharel Washington Technology Safe Routes to School**

In 2016, students Benita Basnet, Dhiraj Basnet and Srijana Kharel, with the support the Washington Tech principal, teachers and staff, joined a committee comprised of parents, educators, and city and county officials, to bring their perspective to the critical issue of pedestrian safety while walking to school. These students participated in a numerous meetings, photo documented their walks to and from school, volunteered at Winter and Spring Walk and Bike to School Day events and gave a presentation of their work at a Ramsey County community meeting focused on Rice street safety.

Many thanks to these students for their service to the North End and Washington Technology School

There are many people, businesses , schools and agencies that have worked tirelessly for the North End. We thank everyone for their hard work and dedication to make the North End a place to call home.
