Saint Paul's North End

North End Neighborhood Organization

May 2018

Join a Committee

Everyone is welcome to join a committee :

Friends of the North End: The committee is look towards keeping the North End's sense of place by working on a variety of projects including but not limited to public art, traffic calming, pocket parks and neighborhood branding,. The committee plan sand organizes the Marydale Festival.

Transportation Committee: The Transportation Committee will advise the District 6 Planning Council Land Use Task Force on transportation-related issues and initiatives, including (but not limited to) multi-modal transportation including street design, pedestrian safety and crossings, public transit service; including bus stops and routes

Land Use & Housing Committee:

The committee works on all land use issues and recommendations directly to the Board of Directors on all uses of land; including but not limited to permits, zoning, variances and licensing. The committee also works on housing in the North End in partnership with Neighborworks.

Safe Neighborhoods: The Committee works on advocating designing, identifying projects, seek funding and implementation projects identified by the North End community and committee for a safer North End in relation to crime prevention.

2018 Rice Street Festival

The committee is planning the festival so if you have ideas, know of a parade unit, kids activity or want to help out we'd be grateful for the assistance. Send us an email to join the committee:
